### **General partnership: new life of old form (commentary to the articles 69—81 of the RF Civil Code)**

**Keywords:** Corporations, general partnership, articles of partnership, articles of association, legal entity

The amendments to chapter 4 part 1 of the RF Civil Code took effect on the 1st of September 2014. First and foremost, those changes dealt with general provisions on legal entities including the status of corporations, management procedure, rights and obligations of parties and so on. Under these amendments partnerships, in which partnership is based on fiduciary duty, are attributed to the category of general partnerships. The article presents analysis of legal regulation of general partnerships in the light of ongoing changes to laws on legal entities.

### **Serial killing: from cruelty to animals to violence against people**

**Keywords:** Cruelty, sadistic methods, death and injuries of animal, serial killing

People who inflict suffering to animals and serial killers have similar traits of character. In particular, both types tend to be cruel, and they get satisfaction from the act of cruelty. Cruelty to animals can grow into violence against people. This, in particular, was the case with a number of serial killers who started from animal torture.
